

## Resonate Now

June 2021

Hello!

We hope you have been enjoying the glorious sunshine so far this month. We have been donning our sunhats and sun cream, enjoying long walks and indulging in an ice cream (or two). See if you can name some of the landmarks we have been passing on page 3!

Have you noticed anything pleasantly surprising whilst out and about in the warmer weather?

Julie spotted something rather lovely closer to her home in Greenwich, and took a picture of this **Thames Barge**. After a little research she discovered they used to be a rather common sight along the River Thames, working the London River and the Port of London. In the 1860s a series of barge races were started, and the barges' design improved as vessels were built with better lines in order to win. The Thames barge races are the world's second oldest sailing competition, second to the America's Cup.

In our June letter we are pleased to include **song lyrics**, a **summer wordsearch** and a reminder of a couple of upcoming events. If you would like to join us for our last June online music sessions let us know, and we have places available for our **opera sessions in July** - details on the last page.

Happy Resonating!

Julie and Jude

## Songs for summer

### Here Comes The Sun

Here comes the sun (doot n' doo doo)  
Here comes the sun  
And I say  
It's all right

Little darling, it's been a long cold lonely winter.  
Little darling, it seems like years since it's been here.

Here comes the sun (doot n' doo doo)  
Here comes the sun  
And I say  
It's all right

Little darling, the smiles returning to their faces.  
Little darling, it seems like years since it's been here.

Here comes the sun (doot n' doo doo)  
Here comes the sun  
And I say  
It's all right

### I Got The Sun In The Morning

Taking stock of what I have and what I haven't,  
What do I find?  
The things I've got will keep me satisfied.  
Checking up on what I have and what I haven't,  
What do I find?  
A healthy balance on the credit side.

Got no diamond, got no pearl  
Still I think I'm a lucky girl,  
I've got the sun in the morning and the moon at night.

Got no cheque books, got no banks,  
Still I'd like to express my thanks.  
I've got the sun in the morning and the moon at night.  
And with the sun in the morning and the moon in the evening, I'm all right.

### Blue Skies

Blue skies smiling at me,  
Nothing but blue skies  
Do I see.  
Bluebirds singing a song  
Nothing but bluebirds  
All day long.

Never saw the sun shining so bright  
Never saw things going so right.  
Noticing the days hurrying by;  
When you're in love, my how they fly.  
Blue days, all of them gone.  
Nothing but blue skies from now on.

*Beautiful flowers captured on Julie's travels around London. After some googling she discovered they are a type of crab apple tree, 'Rudolph', normally flowering in late Spring, with edible, reddish-yellow fruit emerging in autumn.*

## Guess the landmark!

As the Resonate team continue to explore London over the summer, here are some of the sights we shall be passing by or visiting. See if you can guess the landmark from the picture!
