

## Resonate Now

February 2022

Hello!

We are pleased to be emerging from the rather chilly start to the year into February; a month with the feeling of optimism in the air and perhaps occasionally offering glances into spring time.

We have enjoyed another busy month of events, and have welcomed a new member of staff (more details below!). A particular highlight in January was spending time drawing, doodling and sketching in a very fun and relaxing session. We took inspiration from still life, as you can see to the right.

We are delighted to introduce our new Projects Manager, Shelley Hastings, who will be working alongside Julie. You may meet her soon at a memory café, creative session, or in our online choir! We have included her picture below.

Please find our February listings overleaf and do contact our office on the number below if you have any questions or would like to book anything.

Please be reminded that you can support Resonate Arts by shopping online with *easyfundraising*, which turns your shopping into free donations to our charity! You can also donate to us directly through Kindlink <https://bit.ly/3Fiqk0Q>. All donations are gratefully received and make a significant difference to our work.

Happy Resonating!

Best Wishes,

Julie, Shelley and Jude
