November 2021

Hello everyone

The weather may be getting a little colder, but as we continue to offer various activities, projects and events, we have decided this month to strip back our monthly letter. We simply include an events listing on the opposite side to this page. There is plenty on offer and we hope you find something you may like to join!

For those who would like to and are able to join something digital from home we have our weekly **online choir**.

For music fans, we have our **monthly concert** at Wigmore Hall.

If you would like to experience visual art you could join the tour at the Wallace Collection.

Here's a peek at one of our activities last month in October. We enjoyed our one-off visit to the Wallace Collection celebrating 'Silver Sunday'. We listened to beautiful music in the Great Gallery and explored drawing in the art studio.

We hope to see you soon.

Best Wishes,

Julie and Jude
