

## Resonate Now

March 2022

Hello everyone

Amongst the activities we look forward to this month are the upcoming concert at Wigmore Hall with wonderful students from the Royal Academy of Music and another monthly tour at the Wallace Collection.

In February we completed our project at the Victoria and Albert Museum. We recently explored Micromosaics, and were fascinated by the incredible level of detail in the pieces. The earliest Micromosaics were made during the second half of the 18<sup>th</sup> century, in Rome.

What do you think of these rather more modern tiles that we made?

We also continue to sing a range of songs joined by wonderful musicians in our fortnightly online choir, do get in touch if you would like to join! Details overleaf.

Please be reminded that you can support Resonate Arts by shopping online with *easyfundraising*, which turns your shopping into free donations to our charity! You can also donate to us directly through Kindlink <https://bit.ly/3Fiqk0Q>. All donations are gratefully received and make a significant difference to our work.

Best Wishes,

Julie, Shelley and Jude
